**FREDERICK COUNTY G-8 SUMMIT
INFORMATION CENTER UPDATES - MAY 19, 2012 – 1:30 p.m.**

UPDATE:

FREDERICK – The Frederick County G-8 Summit Information Center reports that the large crowd of demonstrators in Thurmont has dispersed and all roads are now open for travel. Some demonstrators remain in the area, and Thurmont police officers are monitoring the roadways.

Residents, visitors and the media are encouraged to follow the [Frederick County G-8 Summit Information Center webpage](#) for updates and notices.

MD-77 and the road closures contained in [Cunningham Falls State Park](#) and Catoctin Mountain Park are the only other road closures in the county at this time.

The Information Center and Call Center (301-600-3000) is assisting media and citizens. Most calls being received at the Call Center are from citizens asking for information about any road closures or traffic issues.

Citizens are being updated through an active social media outreach from county officials. Information is being provided through www.FrederickCountyMD.gov/G8Frederick, as well as www.facebook.com/G8Summit/FrederickCounty and www.twitter.com/G8Frederick.
